

### **Preparation and Usage**

- Good for vaginal, anal and oral sex.
- Can help with vaginal dryness.
- Fine to use with natural rubber latex, polyisoprene & polyurethane condoms.
- Take off the cap and squeeze gently to apply over your body. If using with condom then just smooth over when it's already on.
- Keep in a cool, dry place away from direct sunlight.
- Use within three months of opening.

### **Safety Information**

- Use as directed.
- This is not a contraceptive, doesn't contain spermicide and may slow sperm down.
- Avoid contact with eyes, broken skin or wounds.
- If you experience irritation stop use. Consult your doctor if irritation continues, you experience persistent vaginal dryness, are pregnant or breast feeding.
- Keep out of the reach of children.
