

**Ingredients:**

Dimethicone

**How To Use:**

- Take off cap, twist pump to open, squeeze and smooth the lube wherever you like.  
*Can be used with all Durex condoms - smooth over the outside of the condom when it's already on.*

**Safety Information:**

- Use as directed.
- Fine to use with natural rubber latex, polyisoprene & polyurethane condoms.
- Suitable for vaginal, anal, and oral sex.
- Not a food but safe to consume.
- This product is silicone based and may stain fabrics.
- It's not a contraceptive and it doesn't contain spermicide. Durex Play lubricants may slow sperm down.
- Store in a cool dry place away from direct sunlight.
- Use within three months of opening.
- Keep out of reach of children.
- Avoid contact with eyes, broken skin or wounds.
- If you experience irritation, stop using this lube. Consult your doctor if irritation continues, you experience persistent vaginal dryness, are pregnant or breast-feeding.
