ANAL BEADS

“The sleek object has gradually increasing spherical bubbles joined together, the first one small and the last much bigger. “They have quite an effect if you pull them out mid-orgasm,” says Christian, watching me carefully.”

Smooth, silicone anal beads to stimulate one of your most sensitive spots for intensely pleasurable results.

Apply plenty of water-based anal lubricant to the beads and yourself before gently inserting the smallest bead, then gradually insert the larger beads.

Pull them out at the point of orgasm for incredible, intensified sensations.

Includes satin storage bag.
