

LIBERATOR®

BONBON® TOY MOUNT

YOUR BONBON IS VACCUUM COMPRESSED.
SETTING IT UP IS EASY.

STEP 1 Unzip and
peel back vacuum
compression bag.

STEP 2 Remove
plastic bag. Do not
remove the protective
liner. Add the cover
and zip closed.

FOR USING DILDOS WITH A BASE

STEP 1: Tuck liner into side channels.

STEP 2: Slide one side of the base into
liner, and then the other side. Make sure
you feel the foam between the base and
the outer cover.

FOR USING DILDOS WITHOUT
A BASE OR VIBRATORS

STEP 1: Push liner down into slit.

STEP 2: Insert toy into BonBon. The angle
can be adjusted to fit any position.
