

VIBRATOR CARE INSTRUCTIONS

Take care when using the vibrator for the first time, vibration can be intense

- 1. Clean your vibrator after every use.
- 2. Take care when cleaning your vibrator remember it is an electrical item, moisture can damage the product and also react with the batteries.
- 3. Keep your vibrator clean and dry, store in a dry place, moisture can damage the batteries and the motor.
- 4. Always store your vibrator separately, different materials have different chemical configurations and may react with each other.
- 5. Always allow your vibrator to cool down before storing in a safe place, vibrators are electrical and motors get warm with use.
- 6. Excessive usage of the vibrator will wear out the motor and may cause the motor to over heat. If you feel your vibrator is getting unduly hot, switch off and allow it to cool down, before continuing to use.
