ORAL FUD

The title 'ORAL FUD' is rendered in a bold, rounded, sans-serif font. The letters are white with a thick, dark outline. The background of the letters is filled with a complex, abstract pattern of overlapping geometric shapes in shades of red, purple, and blue, creating a vibrant, almost liquid-like effect. The overall aesthetic is modern and energetic.

GAME GUIDE

WELCOME TO ORAL FUN...

The game of eating out whilst staying in!

To start, see who can stick their tongue out the furthest. The one with the longest tongue goes first!

Roll the die and make your way around the board, using the symbols on the numbered square to complete the relevant action. Almost every square has an action, apart from Lollipop: Here you must sit and wait eagerly for your turn to pleasure, or to be pleased.

Giggle and gargle your way to the finish line (if you even make it that far!). The winner is the first to reach square 69, where the pleasure is all yours!

Trivia

Your partner asks you a question from one of the Oral Fun trivia cards. Want to up the stakes? Feel free to add your own treats or forfeits for right or wrong answers...

Lollipop

The only licky-licky you're getting is this sugary treat! Sit here and wait patiently until your next turn.

Cheers!

Take a sip of your drink.

Kiss

- 13. Him & Her:** Kiss your partner as though it's your first kiss after your first date. To tongue or not to tongue?
- 20. Him & Her:** Pull your partner's underwear down and bend them over. Kiss them from behind for however many minutes you rolled on the die.
- 29. Him:** Are you an ass guy? Or more of a boob man? Kiss the favorite part of your partner's body.

Her: Is it his peachy bum or strong back? Kiss your favorite part of his body.

- 54. Him & Her:** Ask your partner for a starting point on their body. From there, kiss, lick, suck and nibble a route across their body, finishing at their privates.
- 58. Him:** Round and Round the Garden – Give her a gentle kiss on her lady garden and stay there, before swirling the tip of your tongue around her clit.

Her: Round and Round the Maypole – Give him a gentle kiss on his wand and stay there, before swirling the tip of your tongue around his tip.

- 66. Him & Her:** Give your partner a sensual French kiss 'down there'.

Joker

- 3.** Both get an apple and hold them using only your bite. Now, try to knock your partner's apple out of their mouth. First to drop their fruit has to suck each their partner's toes.
- 12.** Do your best 'Trout Pout'. Really push those lips out and hold. Now get your partner to lower themselves onto your face and hold for 2 minutes...
- 18.** Get your partner naked, and get ready to wrap as fast as you can! Roll a die, and wrap them up in that number: 1. Toilet paper, 2. Sellotape, 3. Cling film, 4. bed sheet, 5. String / rope, 6. Your choice!
- 26.** Fetch some ice cubes. Roll the die and fill your own underwear with that number of cubes. Keep them there for 3 minutes.
- 40.** How fast can you waggle your tongue from side-to-side? Now practice this on your partner's genitals for 3 minutes!
- 50.** Can you swirl your tongue clockwise and switch to anticlockwise? Give it a go... on your partner's privates!
- 64.** You are now your partner's make-up model! Grab your / your partners' make-up kit and you have 3 minutes to do an express makeover (removing any you may have on already). Pay special attention to their lips! Before/After photo optional...

Lube

- 10. Him & Her:** Both of you apply a flavored lube to your lips, as if it is lip balm, and indulge in a long passionate french kiss.
- 25. Him:** Fruity lube in hand, wrap both of your arms around her legs and place your head in between so your tongue is next to their area. Trickle the lube over her love bean and gently circle it with your tongue.

Her: Drizzle some fruity lube over his disco stick. Envelop his tip with your mouth, circling it with your tongue, while stroking his shaft with your hand. For a bit of vibration, try humming a tune...

- 37. Him:** Two in the bush - Cover her voluptuous vulva with flavored lube then use your fingers AND tongue to stimulate her.

Her: My boy lollipop - Cover his love-stick with flavored lube. Cupping his balls in your hand lick him like a lollipop.

- 49. Him & Her:** Both of you smother your genitals with flavored lube. Engage in a 69 position and savor the juices from your partner.

Blindfold

- 6. Him & Her:** Hide and Seek – With a blindfold on, hone in on your partner's intimate bits using only your tongue (no hands, that's cheating!).
- 15. Him:** Blow by Blow – Blindfold your partner and, using only your breath, tease around their inner thigh, lips and clit.
- Her:** Blow by Blow – Blindfold your partner and, using only your breath, tease around their inner thigh, balls and trouser-snake.
- 27. Him & Her:** Gimme more - Firstly make sure their eyes are covered. Proceed to stroke them, kiss them, lick them. Then, change the pace: stop and stay completely still from time to time. Don't make contact again until they're desperate for you to touch them once more.
- 35. Him:** ABC - With a blindfold on, write the letters of the alphabet with your tongue on her vagina.
- Her:** 123 - Blindfold on, write the first three numbers with your tongue on the tip of his schlong.
- 43. Him & Her:** Swings and Roundabouts – Use your tongue to alternate between flicking side to side and round and round their genitals.
- 48. Him & Her:** Mouth Piece - With your partner blindfolded, place different parts of your body in their mouth. They have to guess which part it is!
- 62. Him & Her:** With your partner blindfolded, verbally direct their mouth to where you want it on your body (“left... left... right... THERE!”)
- 67. Him & Her:** Cool runnings - Use an ice cube to stroke across your blindfolded partner's body, making your way south.

Food & Drink

- 4. Him & Her:** Ice ice baby – Hold an ice cube in your mouth until it melts and then use your tongue to tease your partner.
- 8. Him:** Pop her cherry – Make a “popping” sound on her clit – she'll go crazy for the burst of air!
- Her:** Suck his plums – Pull his balls into your mouth and release. Use your tongue for added pleasure.
- 17. Him & Her:** Daiquiri - Place a strawberry or something small and fruity between your teeth and have your partner eat it.
- 24. Him & Her:** Fizzy Dizzy - Using a sparkling drink of your choice, take a small sip and hold it in your mouth while you go down on your partner. Let the liquid gently release as you pleasure them.
- 42. Him:** Ice-Scream - Flatten your tongue and start your stroke from below her pussy. Slowly lick all the way up to her clitoris in one long stroke, covering as much of her as possible (like you're licking an ice-cream cone!)
- Her:** Ice-Scream - Flatten your tongue and start your stroke from his balls. Slowly lick all the way up to the tip of his willy, covering every inch (like you're licking an ice-cream cone!)
- 46. Him:** Little Lolly - Suck her clitoris like you'd suck a lollipop, pulling it into your mouth momentarily and releasing it.
- Her:** Lotta Lolly - Suck the tip of his knob by pulling it into your mouth and releasing it.
- 56. Him & Her:** Get saucy! Use any “sauce” of your liking (chocolate, jam, jelly, ketchup... whatever you have in!) on your partner's body and lick it off.
- 60. Him:** Tasty melons! Starting from her boobs, kiss her all the way down to her buried treasure.
- Her:** Go nuts! Use different pressures with your tongue to lick his gonads.
