

# 7" Hollow Rechargeable Strap-On with Balls™

Have you always wanted to feel more confident about your size and enjoy satisfying sex with your partner long enough for both of you to reach orgasm? Your lover knows that size matters—and nothing can fulfill fantasies and please a partner like a confident man that knows what he's doing! Now you can have the length and girth you've always dreamt of and be all the man you can be with the Fetish Fantasy Series 7" Hollow Rechargeable Strap-On with Balls. Say goodbye to embarrassing midway letdowns and say hello to a satisfying smile from your lover! The comfortable elastic harness easily adjusts to fit most sizes, while the 7" lifelike dildo hits the right spot every time. It's perfect for men with ED, premature ejaculation problems, or couples looking to add a little flair to their fun. Best of all, you can still enjoy hot, face-to-face sex and ensure that both of you get off together!

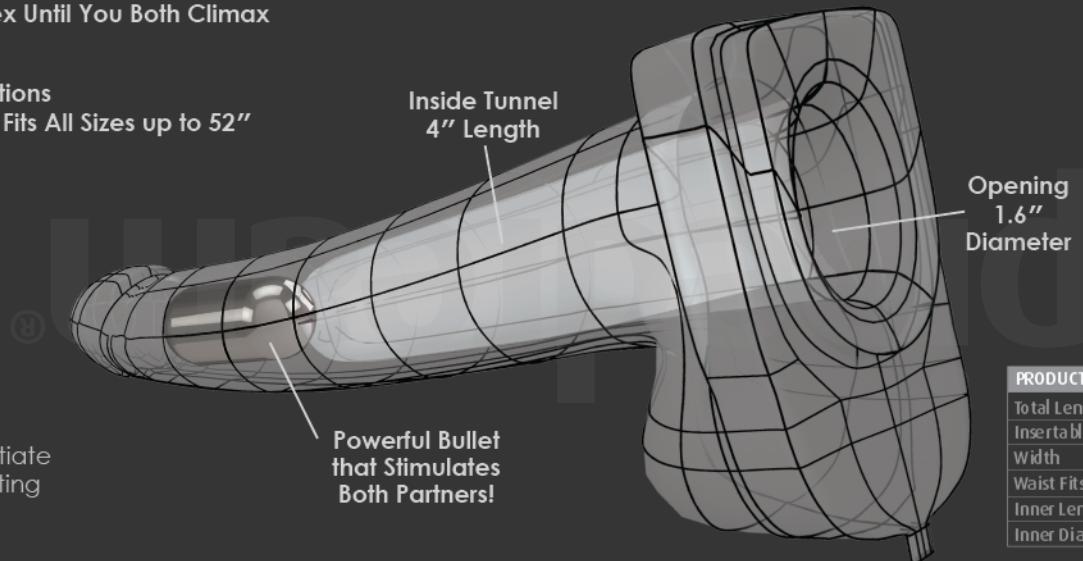

The rechargeable hollow strap-on is ready to go when you are and you'll never have to worry about changing batteries again. Press and hold the button on the left testicle for three seconds to power on, then press the button again to cycle through ten thrilling pulsation patterns. Powered by a long-lasting lithium-ion battery, the super-strong motor delivers thrilling, multi-speed vibrations at the tip of the dildo—precisely where your partner wants them most. The dildo is compatible with both water-based and silicone-based lubricants. Cleanup is a snap after the fun with antibacterial cleaner and warm water. The included USB charging cord works with most USB power sources.
