

- Use only with compatible power sources. Avoid using damaged or uncertified chargers or power supplies.
- Inspect before use. Do not use the cable if there are visible signs of damage, fraying, or corrosion on connectors. Replace immediately if the cable becomes hot, emits odor, or malfunctions.
- Avoid moisture and heat exposure. Do not expose the cable or connectors to liquids, direct sunlight, or high temperatures. Do not use or store in humid environments.
- Disconnect from power when not in use.
- Do not bend, twist, or pull excessively on the cable.
- Keep out of reach of children. Small parts and connectors may pose a choking or injury hazard.
