

This product is intended for external and decorative use. Do not ingest or apply to broken or irritated skin.

Unless clearly stated as reusable, these pasties are intended for one-time use only. Reuse may result in reduced adhesion and increased risk of skin irritation.

May contain skin adhesive. Not recommended for individuals with known adhesive allergies or sensitive skin. Perform a patch test 24 hours prior to use.

Discontinue use immediately if redness, itching, swelling, or irritation occurs. If symptoms persist, consult a healthcare professional.

This product is not a toy. Keep out of reach of children. Small components may pose a choking hazard.

Keep away from heat sources, open flames, and smoking materials.

Do not wear for extended periods of time (e.g., over 6–8 hours) to reduce the risk of irritation or discomfort.
