How to use your glass anal beads

- You can enjoy the glass anal beads at room temperature or adjust their temperature for different sensations.
- To warm the toy, place in a bowl of warm water for a few minutes. To cool, place in the fridge or a bowl of cold water. Test on your arm first to prevent any accidents.
- Squeeze a generous amount of anal lubricant into your hands and massage it over the glass.
- Insert the anal beads gently and use the looped handle to direct the tip for thrilling internal stimulation.
- At the point of orgasm, slowly remove the beads.
- Clean after use with sex toy cleaner and leave to air dry until next time.
