

**HUE001**

*Hueman Saturn Galactic Silicone Vibrating Cock Ring [Purple]*

**Instructions for Use**

- **Charging:** Use the provided USB cable to fully charge the device before initial use.
- **Application:** Gently stretch the ring and place it around the base of the penis and testicles.
- **Operation:** Press the power button to cycle through the 10 vibration settings.
- **Cleaning:** After use, clean the ring with warm water and a toy cleaner. Ensure it's completely dry before storage.

**Safety Warnings**

- Ensure the device is fully charged before use to prevent interruptions.
- Do not use the product while charging.
- Avoid using the ring for extended periods to prevent potential discomfort or injury.
- Keep out of reach of children.
- Store in a cool, dry place away from direct sunlight.
- Use only as intended.
