

## Satu - Pulse-Wave and Vibrating Strapless Strapon - Purple

### Product Information

Item number	VIVE033PUR
EAN code	7423522538531
Brand name	VIVE by Shots

### Instructions for use

#### Product Overview:

The Satu - Pulse-Wave and Vibrating Strapless Strapon - Purple is designed to offer a unique and fulfilling experience for both partners. This innovative strapless design allows for freedom of movement and intimate connection, enhanced by its pulse-wave and vibrating functionalities.

#### Getting Started:

##### 1. Charge the Device:

- Before first use, fully charge the Satu using the provided charging cable. Insert the charging pin into the designated port on the product. Connect the USB end to a suitable power source.
- A full charge is recommended to ensure optimal performance.

##### 2. Powering On:

- To activate the device, press and hold the power button located on the base of the larger insertable end until you feel a vibration or see an indicator light.

##### 3. Selecting Modes:

- The Satu offers multiple pulse-wave and vibration patterns. To cycle through these modes, press the function button repeatedly. Experiment with different settings to find the combination that best suits your preferences.

##### 4. Insertion:

- Apply a generous amount of water-based lubricant to both ends of the strapon for comfortable insertion.
- The larger end is designed to be worn vaginally by the wearer, providing secure placement and pleasure.
- Adjust the angle and position for optimal comfort and stimulation.

##### 5. Usage:

- Once inserted, the wearer can use pelvic muscles to hold the strapless strapon in place.
- The external end can be used to stimulate a partner, offering a shared pleasurable experience.

##### 6. Adjusting Intensity:

- During use, you can adjust the intensity of the pulse-wave and vibration settings by continuing to press the function button, allowing you to tailor the experience as desired.

#### Cleaning and Maintenance:

##### 1. Power Off:

- After use, ensure the device is powered off by pressing and holding the power button until the device stops vibrating or the indicator light turns off.

##### 2. Cleaning:

- Clean the Satu thoroughly with warm water and mild soap or a designated toy cleaner. Rinse well and pat dry with a lint-free cloth.
- Ensure the charging port is closed during cleaning to prevent water from entering.

##### 3. Storage:

- Store the Satu in a cool, dry place away from direct sunlight. Consider using the original packaging or a dedicated toy bag for safekeeping.

#### Safety Precautions:

- Use the Satu only as intended.
- Do not use the product if you experience any pain or discomfort.
- Avoid using silicone-based lubricants, which can degrade the material.
- Ensure the product is completely dry before charging.

#### Troubleshooting:

- If the device does not turn on, ensure it is fully charged.

#### Washing instructions

To ensure the longevity and hygiene of your Satu - Pulse-Wave and Vibrating Strapless Strapon, please follow these cleaning instructions:

1. Before First Use: Clean the product thoroughly with warm water and mild soap or a dedicated toy cleaner. Rinse well and dry with a soft cloth.
2. After Each Use:
  - Immediately after use, rinse the strap-on under warm running water to remove any bodily fluids or lubricants.
  - Apply a gentle, unscented soap or a toy cleaner specifically designed for intimate products. Use your hands or a soft cloth to gently scrub all surfaces.
  - Rinse thoroughly to remove all soap residue.
3. Drying:
  - Pat the product dry with a clean, soft towel or let it air dry completely before storing.
  - Avoid using abrasive materials that may damage the surface.
4. Storage:
  - Store your Satu in a cool, dry place away from direct sunlight. Consider using a storage bag or box to keep it dust-free and protected.
5. Avoid Certain Products:
  - Do not use bleach, alcohol, or any harsh chemicals for cleaning, as these can damage the material.

Following these instructions will help maintain the quality and safety of your Satu - Pulse-Wave and Vibrating Strapless Strapon for many enjoyable uses.

#### Warnings

Before using the Satu, please read and understand the following safety information:

1. Intended Use: This product is designed for adult use only. Ensure that all users are of legal age and fully understand the functions and features of the product.
2. Allergy Information: This product is made from body-safe materials, but individuals with allergies to silicone or similar materials should exercise caution and consult a physician if uncertain.
3. Health Considerations: If you have any medical conditions, particularly related to the pelvic area, or if you are pregnant, consult with a healthcare professional before use.
4. Electrical Components: The Satu contains electrical components for its vibrating and pulse-wave functions. Do not use if the product is damaged, and avoid exposure to water or liquids to prevent electrical shock.
5. Proper Cleaning: Clean the product before and after each use with a suitable toy cleaner or mild soap and water. Ensure it is fully dried before storage to avoid mold and bacteria growth.
6. Use with Lubrication: For optimal comfort, it is recommended to use a water-based lubricant. Avoid oil-based or silicone-based lubricants, as they may damage the product.
7. Discontinue Use: If you experience any discomfort, pain, or adverse reactions during use, discontinue immediately and consult a healthcare professional.
8. Safe Storage: Store the product in a cool, dry place out of reach of children. Avoid exposure to extreme temperatures or direct sunlight.

By following these guidelines, you can ensure a safer and more enjoyable experience with the Satu - Pulse-Wave and Vibrating Strapless Strapon.

#### Disposal instructions

I thank you for choosing the Satu - Pulse-Wave and Vibrating Strapless Strapon. When it comes time to dispose of your product, please follow these guidelines to ensure safe and environmentally responsible disposal:

1. **Clean the Product:** Before disposal, please clean the product thoroughly with warm water and mild soap to remove any residues.
2. **Check Local Regulations:** Disposal regulations can vary by location. Please check with your local waste management authority for specific guidelines regarding the disposal of adult products.
3. **Non-Electronic Parts:** If the product contains non-electronic components (such as silicone or plastic), these can typically be disposed of in your regular household waste. Ensure they are securely wrapped to prevent any risk of injury.
4. **Electronic Components:** If your product includes electronic parts (such as batteries or vibrating mechanisms), it is important to dispose of these components separately. Please take them to a designated electronic waste recycling facility to ensure they are processed safely and responsibly.
5. **Recycling:** If possible, consider recycling any recyclable materials. Check for local recycling programs that accept plastic, silicone, and other materials.
6. **Do Not Litter:** Please do not dispose of this product in public spaces or litter. Always use appropriate disposal methods to protect the environment.

By following these instructions, you can help ensure that your disposal process is safe and eco-friendly. Thank you for being a responsible consumer!

**DISCLAIMER:** All products purchased from Shots prior to December 13, 2024, remain marketable as they are governed by the provisions of the previous legislation.
