But there's a teasing twist - the player giving the pleasure is the one who wins the points, so it may be better to give than to receive! The ultimate prize is awarded to the first player to reach thirty points who can then redress the balance by receiving a romantic or sexual favour of their choice!

**So think hard before you choose who you want it to be - will it be you or will it be me?**

**The game includes:**

- ♥ 45 forfeit cards for each player
- ♥ 4 'special' cards for each player
- ♥ One 'Joker' for each player
- ♥ 1 die
- ♥ 1 sand timer

**The game is for two players.**

## RULES OF THE GAME

**You and Me is a fun game for two that helps create a unique romantic and sensual experience every time you play.**

With 90 innovative ideas, sexy suggestions and adventurous activities, this is a game where the taking part really is almost as good as winning! Make the time for "You & me" to enjoy a game of love and intimacy.

### STARTING THE GAME

Firstly both players remove and keep the joker from their pack. Shuffle each pack separately and place face down in front of you. Be sure to include your 4 star cards! If two girls or two boys are playing then just play with the appropriate pack.

The first player to roll "Me" goes first. After that just take it in turns. To make the game more enjoyable, collect a few accessories together before you start. A scarf or tie, massage oil and some lubricant are ideal, in fact highly recommended!

### PRINCIPLES OF THE GAME:

#### When she rolls the die:

- If the die lands on 'You', he takes the forfeit.
- If the die lands on 'Me', she takes the forfeit.
- If the die lands on '?', she chooses who takes the forfeit.

#### When he rolls the die:

- If the die lands on 'You', she takes the forfeit.
- If the die lands on 'Me', he takes the forfeit.
- If the die lands on '?', he chooses who takes the forfeit.

The partner who takes the forfeit chooses the appropriate card for their sex. They perform the action and take the points. Each forfeit lasts for as long as it takes for the sand to run out in the timer.

### WINNING THE GAME

The winner is the first player to accumulate 30 points and can celebrate by receiving a sexual favour of your choice from your lover. You do that by completing the forfeit on the cards to your partner's satisfaction.

**Every card has 1, 2 or 3 hearts on – these signify the level of the forfeit.**

- 1 heart = a soft forfeit = 1 point
- 2 hearts = a naughty forfeit = 2 points
- 3 hearts = a hardcore forfeit = 3 points

Every time a player completes a forfeit, you should write down the number of points they win. (It is the player completing the forfeit who wins the points.)

If you are first to reach 30 points you can request a special sexual favour from your partner.

**THE JOKER:** At the start of the game, you are given a Joker which you can use to refuse a forfeit. But remember you can only use this once!

**STAR CARDS:** There are 4 special cards each: 3 cards that can win you 5, 10 or 15 extra points and a penalty card which can lose you 15 points. You can choose to pass on a special card or to take it. You decide, at your own risk!

**SYMBOLS:** Symbols on each card indicate where the use of the following will really add to the experience:

Lubricant

Massage oil

Scarf
