

SPORTSHEETS®

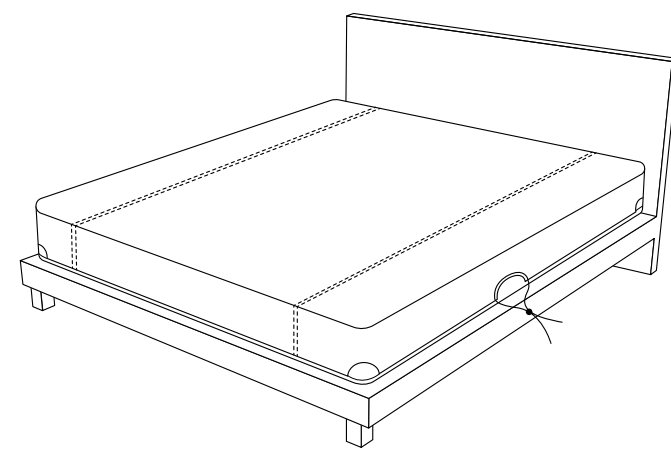

THE ORIGINAL SPORTSHEET®

You're only as tied up as you want to be with a system crafted to securely position you in every seductive position imaginable! Developed using a unique and exclusive bedsheet, the 4 included anchor pads seamlessly adhere to the ultra-soft material with a stable and secure hook and loop connection, restraining you to the bed. Strong enough to reliably withstand a direct reverse force of up to 100lbs, the anchor pads can easily keep even the brawniest bottoms locked in tight! Explore versatility and support for any position you can think of and easily readjust at any time with smooth removal from the corners of the anchor pads! With anchor pads compatible with every inch of the Sportsheet®, your only limit is your imagination!

With 4 soft cuffs included, easily clip your partner to the anchor pads with durable nickel-free clips that can even attach to each other for added cuff capabilities and even more restraint possibilities. Sized to perfection up to 15", the cuffs can securely fit both ankles and wrists, or attach multiple together with the hook and loop straps to fit larger body parts like thighs, neck or even your waist!

FEATURES

- Four Hook & Loop anchor pads adhere seamlessly anywhere on this top-of-the-line super soft bedsheet.
- Use the ankle and wrist restraints on their own by clasping them together.
- Move your partner and the pads quickly and easily into new positions.

Fitting both standard King mattresses, pull the under straps tight and adjust the cinch cord for a secure fit and prepare your submissive bottom for an experience like no other!
