Operating Instructions

Intermittent Suction STROKES FOR YOU!

One-Touch Suction! Power up and a ring of colored LEDs fire up! Choose between 10 suction and vibration patterns with 1 touch of a button. The ViewTube™ Pro will do the rest! If you want full control, hold the super suction mode button down for continuous suction until you release (10 seconds max). Watch your cock get the ultimate blow job through the crystal clear transparent sleeve!

QUICK START GUIDE:

To turn on, press and hold the power button for 3 seconds. Device will turn on in stand-by mode. To activate automatic suction, press the (left) button and cycle between the 10 suction modes.

To turn vibration on, press the power button and cycle between the 10 vibration modes.

To activate super suction mode, press and hold the (right) button for constant suction. After 10 seconds the suction will stop for 2 seconds before it starts again. Releasing the button will return the function to the previous setting.

After use, press and hold the power button for 3 seconds to turn all functions OFF.

Erectile Dysfunction Aid

Regular masturbation strengthens pelvic floor muscles, helping to prevent erectile dysfunction (ED) in men. Edging, the practice of purposely delaying orgasm, can build sexual stamina and can help with ED by encouraging healthy blood flow to the penis.

Care Instructions

The PDX Elite ViewTube™ Pro sleeve is removable for easy cleaning. Simply pry the edges of the TPE to remove the sleeve. Cleanup is a snap after the fun with antibacterial cleaner and warm water. Do not submerge the ViewTube™ Pro in water. If desired, use a water-based lubricant like Moist® with this product.
