### Instructions for use

#### Introduction

Congratulations on your purchase of the Double-Sided Thrusting Vibrator - Merlot Grape. This versatile and luxurious device is designed to enhance your intimate experiences. Please read these instructions carefully to ensure safe and effective use.

#### Components

- Double-Sided Thrusting Vibrator - Merlot Grape

#### Charging the Device

1. Before first use, fully charge the device.
2. Connect the provided charger to the charging port on the vibrator.
3. Plug the charger into a power source.
4. The indicator light will signal when charging is complete.

#### Operating Instructions

1. Power On/Off:
  - Press and hold the power button located on the handle until the device turns on. Repeat to turn off.
2. Selecting Modes:
  - The vibrator offers multiple vibration and thrusting modes.
  - Press the mode button to cycle through different settings. Each press will change the mode.
  - Experiment to find the mode that suits your preference.
3. Using the Double-Sided Feature:
  - The device is designed for dual functionality. Use either side based on your preference.
  - Ensure the side you choose is clean and properly lubricated before use.

#### Safety and Maintenance

- Cleaning:
  - Clean the vibrator before and after each use.
  - Use warm water and mild soap or a toy cleaner.
  - Ensure the device is dry before storing.
- Storage:
  - Store in a cool, dry place, away from direct sunlight.
  - Avoid contact with other silicone products to prevent material degradation.
- Safety Precautions:
  - Use water-based lubricants to maintain the integrity of the material.

- Do not use the device if it appears damaged.
- Discontinue use if you experience any discomfort or irritation.

### Troubleshooting

- If the device does not turn on, ensure it is fully charged.
- If it is not functioning as expected, reset by turning off and then on again.

### Warranty and Support

For any issues or inquiries, please contact our customer support team. Enjoy your experience with the Double-Sided Thrusting Vibrator - Merlot Grape!

### Washing instructions

To ensure the longevity and hygiene of your Double-Sided Thrusting Vibrator, please follow these cleaning instructions:

1. Before First Use: Clean the vibrator thoroughly with warm water and mild, unscented soap. Rinse well and dry with a soft cloth.
2. After Each Use:
  - Disconnect the vibrator from any power source.
  - Rinse the toy under warm water. Avoid submerging it completely if it is not waterproof.
  - Use a gentle, unscented soap or a specialized toy cleaner to wash the surface. Make sure to clean all areas, including any crevices.
  - Rinse thoroughly to remove any soap residue.
3. Drying: Pat the vibrator dry with a soft, lint-free cloth. Allow it to air dry completely before storing.
4. Storage: Store the vibrator in a cool, dry place, ideally in a dust-free pouch or container, to protect it from dust and other contaminants.

Note: Avoid using harsh chemicals, alcohol-based cleaners, or abrasive materials, as these can damage the surface of the vibrator. Always check the manufacturer's guidelines for any specific care instructions.

### Warnings

Before using the Double-Sided Thrusting Vibrator, please read the following warnings and safety information carefully:

1. Intended Use: This product is designed for adult use only. Ensure that you are of legal age in your jurisdiction to purchase and use this item.
2. Material Safety: The vibrator is made from body-safe materials. However, individuals with allergies or sensitivities to certain materials should exercise caution. Always check for any adverse reactions before use.
3. Lubrication: Use only water-based lubricants with this product. Avoid oil-based or silicone-based lubricants, as they can damage the vibrator.
4. Hygiene: Clean the vibrator thoroughly before and after each use with warm water and a mild

soap or a suitable toy cleaner to minimize the risk of infection.

5. **Battery Safety:** If the product requires batteries, use the correct type and do not mix old and new batteries. Remove batteries when the product is not in use for extended periods.

6. **Use with Care:** Do not use the vibrator if you are pregnant, have a medical condition, or are using medications that may affect sensitivity. Consult a healthcare professional if unsure.

7. **Discontinue Use:** If you experience any discomfort, pain, or unusual reactions during or after use, discontinue use immediately and consult a medical professional.

8. **Storage:** Store in a cool, dry place away from direct sunlight and out of reach of children.

9. **Personal Responsibility:** By using this product, you agree to take full responsibility for your own well-being and the outcomes of its use.

Enjoy responsibly and prioritize your safety and comfort.

### Disposal Instructions

Thank you for choosing our Double-Sided Thrusting Vibrator - Merlot Grape. When it comes time to dispose of your product, please follow these instructions to ensure safe and responsible disposal:

1. **Power Off:** Before disposing of the vibrator, ensure that it is turned off and has been removed from any charging source.

2. **Clean the Product:** For hygiene purposes, clean the vibrator using mild soap and warm water. Ensure that it is completely dry before disposal.

3. **Battery Considerations:** If your vibrator is battery-operated, remove the batteries before disposal. Dispose of batteries according to local regulations, as they may contain hazardous materials.

4. **Electronic Waste:** The vibrator contains electronic components. Please do not throw it in regular household waste. Instead, take it to an electronic waste recycling facility in your area. Many communities have designated drop-off points for electronic waste.

5. **Recyclable Materials:** Check if any parts of the product are recyclable. Plastic and metal components may be accepted at local recycling centers. Separate these materials as needed.

6. **Local Regulations:** Always check with your local waste management authority for specific disposal and recycling guidelines in your area to ensure compliance with environmental regulations.

By following these steps, you can help minimize environmental impact and promote responsible waste management. Thank you for your cooperation!
