

pjur TOY FOAM

Ingredients:

Aqua (Water), Sodium Lauroyl Methyl Isethionate, Phenoxyethanol, Decyl Glucoside, PEG-40 Hydrogenated Castor Oil, Parfum (Fragrance), Citric Acid, Ethylhexylglycerin, Trisodium Ethylenediamine Disuccinate, Sodium Benzoate.

Application:

Apply 3 – 4 pumps directly to the toy you are cleaning, spread evenly and leave to work. Rinse off with lukewarm water and then dry with a dry microfibre or cotton cloth. If necessary, repeat the cleaning process with a silicone-based personal lubricant.
