LELO

SILA™

Blessed be the orgasms. May the Ethereal Sonic Touch open the ways to reach climax.

Enjoy it often, wisely and with care.

Congratulations on acquiring SILA™. Before getting more closely acquainted with it, please take a moment to look through this user manual.

IMPORTANT

Your pleasure object has been locked for transportation.
To unlock, simply connect the charger or see below.

SAFETY

- Please consult your healthcare provider with any questions or concerns you may have regarding your condition.
- This product can be used by adults only. Keep out of reach of children.
- People with reduced physical, sensory or mental capabilities or lack of experience and knowledge should use the device only if they have been given supervision or instruction concerning the use of the device in a safe way and understand the hazards involved.
- Only use the product for the intended purpose. Sharing sex toys with other people may transmit sexual diseases. Do not share your sex toys with people other than your partner.
- Use protective measures with your partner if necessary.
- Do not use the product if you detect any cracks or signs of degradation on the covering material.
- To prevent stains, do not keep your product on the absorbent surfaces. If your product operates abnormally, turn off and consult the support section on our website.
- Do not use the product if one or more components are damaged.

COMPLIANCE STATEMENT

a. WARNING

Please take note that changes or modifications not expressly approved in writing by the party responsible for compliance could void the user's authority to operate the equipment and/or void any relevant warranties.

b. FCC and IC statements

This device complies with Part 15 of the FCC Rules and Industry Canada license-exempt RSS. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) This device must accept any interference received, including interference that may cause undesired operation.

This class B digital apparatus complies with Canadian ICES-003.

b. FCC and IC statements

Cet appareil répond aux exigences de l'article 15 du Règlement de la FCC et aux normes RSS exemptes de licence d'Industrie Canada.
Son fonctionnement est soumis aux deux conditions suivantes :
(1) cet appareil ne doit pas causer d'interférences nuisibles, et
(2) doit accepter toute interférence reçue, notamment celles susceptibles d'entraîner un fonctionnement indésirable.
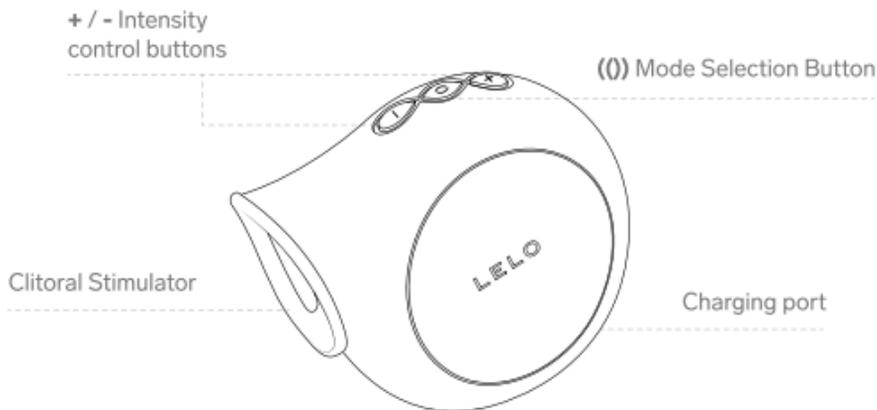

Cet appareil numérique de classe B est conforme à la norme canadienne NMB-003.

NOTE

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorienting or relocating the receiving antenna.
- Increasing the separation between the equipment and receiver.
- Connecting the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consulting the seller, the device dealer or an experienced radio/TV technician for help.
- The device must not be co-located or operate in conjunction with any other antenna or transmitter.
- The device has been evaluated to comply with general RF exposure requirements.
- The device can be used in portable exposure conditions without restriction.
- This device complies with IC RSS-102 radiation exposure limits set forth for an uncontrolled environment.
- Users can obtain Canadian information on RF exposure and compliance.
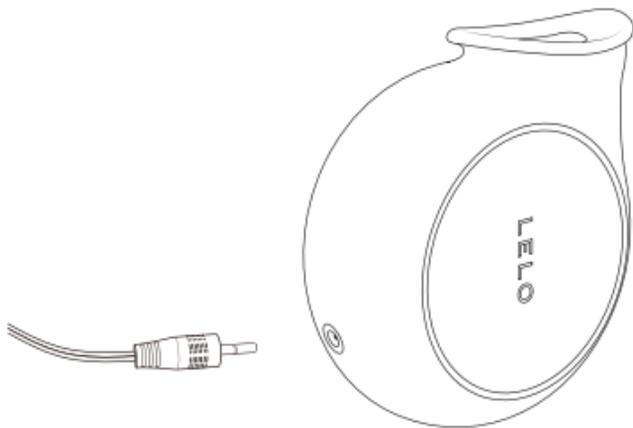

GETTING TO KNOW SILA™

+ / − Intensity
control buttons

((()) Mode Selection Button

Clitoral Stimulator

Charging port

LELO

USING YOUR SILA™

- Before first use, charge your SILA™ for up to 2 hours.
- Make sure SILA™ is unlocked by pressing and holding the + and − buttons together for 3 seconds until the light turns on.
- Apply LELO Personal Moisturizer on the product and your body for enhanced pleasure.
- Press the + button to turn on; press again to increase the vibration strength.
- Press the **(( ))** button to switch between the 8 vibration patterns.
- Press the − button to reduce vibration strength.
- Press and hold the **(( ))** button to turn off.

How to hold

Where to place

Clitoris

Outer labia

Inner labia

Vagina

Keep in mind that after 20 minutes of inactivity, SILA™ will initiate automatic shutdown to save battery.

Tip: For an even more pleasurable sensation, apply a liberal amount of LELO Personal Moisturizer to your body and to SILA™ before and during use.

CHARGING YOUR SILA™

- Insert the DC plug into the DC port at the base of your SILA™.
- Insert the mains plug into a USB Port. The LED on the interface of your SILA™ will pulse to indicate it is charging. When it is fully charged, the LED will emit a steady glow. When the battery is running low, the LED on your SILA™ will emit a blinking white light.

Only use original chargers provided by LELO with your SILA™.

CLEANING, STORAGE, AND SAFETY

Using SILA™ with hand creams or silicone-based lubricants may make the silicone permanently tacky.

SILA™ is fully waterproof, making cleaning simple. Rinse and spray with LELO Toy Cleaner, then rinse again and allow it to dry.

Always clean your SILA™ thoroughly before and after each use. You can wash the silicone with warm water and antibacterial soap, rinse with clean hot water, and pat dry with a lint-free cloth or towel. Never use cleansers containing alcohol, petrol, or acetone.

Avoid leaving your SILA™ in direct sunlight, and NEVER expose it to extreme heat.

Store your SILA™ in a dust-free place and keep it away from products of other materials.

The appliances must only be supplied at SELV.

TROUBLESHOOTING

The LED on your SILA™ does not pulse when the charger is connected:

- The battery is drained and will require several minutes to acknowledge that it is being charged.
- The charger is not properly connected. Check wall and DC sockets.

Your SILA™ does not activate when the (( )) button is pressed:

- The battery is empty. Recharge your SILA™.
- The interface of your SILA™ is locked. Hold down the **+** & **-** buttons at the same time for 5 seconds.

If you experience any other problems with your SILA™ or if you have any questions regarding the operation, please contact **customercare@lelo.com**

SPECIFICATIONS:

Materials: Body-safe silicone, ABS plastic

Body colors: Pink, Lilac, Aqua

Interface: 3-button interface

Frequency: 60 Hz

Battery: Li-Ion 520mAh 3.7V

Charge time: 2 h at 5.0V 500mA

User time: Up to 2 h

Standby: Up to 90 days

Size: 80 x 75 x 35 mm / 31.5 x 25.5 x 13.8 in

Weight: 105g / 0.23 lb

REGISTER WARRANTY

To activate your 1-year limited warranty, register the number provided on the LELO Authenticity Card at LELO.COM/SUPPORT.

1-YEAR WARRANTY

LELO warrants this pleasure object for a period of ONE (1) YEAR, after the date of original purchase, against defects due to faulty workmanship or materials. The warranty covers working parts that affect the function of the pleasure object. It does NOT cover cosmetic deterioration caused by fair wear and tear or damage caused by accident, misuse, or neglect. Any attempt to open or take apart the pleasure object (or its accessories) will void the warranty. If you discover a defect and notify LELO during the warranty period, LELO will, at its discretion, replace the pleasure object free of charge. Claims under warranty must be supported by reasonable evidence that the date of claim is within the warranty period. To validate your warranty, please keep your original purchase receipt together with these warranty conditions for the duration of the warranty period. To claim your warranty, you must log in to your account at LELO.COM and then select the option to make a warranty claim. Shipping costs are non-refundable. This undertaking is in addition to the consumer's statutory rights and does not affect those rights in any way.

DISPOSAL INFORMATION

Disposal of old electronic equipment (applicable in the EU and other European countries with separate waste collection systems):

The crossed-out dustbin symbol indicates that this pleasure object should not be treated as household waste, but rather be brought to the appropriate collection point for the recycling of electrical and electronic equipment.
