

WANDA[®] SEX TOY MOUNT

Unfold. Expand. Indulge.

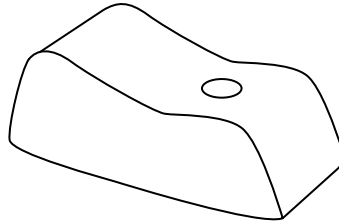

①

STEP 1 — UNROLL

Do not cut the plastic. Locate the edge of the wrap and gently pull to release the shape. Allow each piece to naturally unroll.

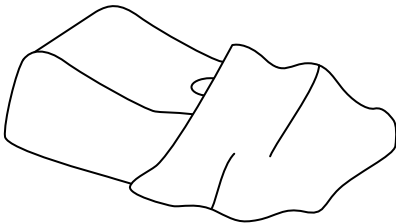

②

STEP 2 — EXPAND

Place all pieces on a flat surface. Your shapes will begin expanding immediately. For optimal form and support, allow up to 24 hours for full expansion. Covers may be applied after 20 minutes.

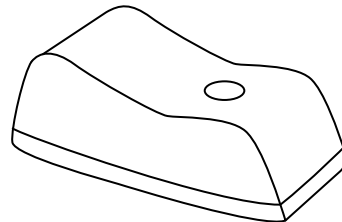

③

STEP 3 — DRESS

Match each shape with its cover. Insert the foam and zip closed for a smooth, tailored fit.

④

STEP 4 — CONFIGURE

Mount the toy into the pocket. Straddle and grind against the toy.
